The Encourage showjumping round is a shortened course aimed at absolute beginners. **Please note** you can only compete in Encourage AND E grade, you CANNOT ride D grade on top of this. This is a **SINGLE** round competition.

ALL grades will be run according to **Article 238.1.2 (AM3)**. All competitors with clear rounds return to ride a heightened jump off course. In this modified version of competition the rider with the time closest to the optimum time above or below is the winner. If there is a tie for first place with all tied riders on penalties (other than 0) then the course is not heightened.

For ALL showjumping rules, please refer to the PCASA website under Rules & Policies – Page 81 to 85 (Show Jumping).

Approved PCASA riding helmets under 5 years of age and proper riding boots must be worn AT ALL TIMES when mounted. The Sunnybrae Pony Club, Metropolitan Zone and The Pony Club Association of South Australia will not be held responsible for any loss, damage or injury to horses, riders, spectators or equipment while on Sunnybrae Pony Club grounds. There is NO SMOKING anywhere on Sunnybrae Grounds.

ALL RIDERS must present their **Pony Club Card** with a current **helmet card/helmet** to the secretary in the clubrooms in the morning of the competition.

Presentation will be at the end of the day **after** the arenas are clear in **full competition attire. It is expected that ALL riders help at the end of the day.**

Every rider, when walking the showjumping course must not walk over the fences, and walk in full competition attire, helmet and whip included.

Failure to do so WILL result in elimination.

There will be no Rider Equitation this year.

**Riders must clean away all manure AND hay from the grounds and float area before leaving for the day.** Water is located next to the shampoo wash bay. If requiring a hose off bay for your horse, we ask that you **DO NOT** use the undercover bay, use the bay half way down the stable block.

It is asked by the agistment management committee of Sunnybrae Pony Club that you please respect the parking areas as they form the daily paddocking area for the agistment centre..

Only three horses maximum allowed in the warm up areas at once. If you require more working space for your horse, please use the lunging arena located by the entrance gate, or the far end of the float parking area.
