MEMO

DCSI screening checks

PCASA is now registered for DCSI screening checks.

We will be starting checks for those members who don't have a current DCSI check or Police check, that are office bearers, coaches and gear checkers.

Members don't need to do anything until they receive an email from DCSI, they then just need to follow the instructions.

For members who have a current DCSI/Police check please take it to your secretary so it can be sighted and the number and date recorded.

Club Secretaries

Can clubs secretaries please compile a list of members that are office bearers, coaches or gear checkers (name, email and DOB) and send to PCASA office who will pass on to our requesting officers. If your member has a current DCSI /police check just make sure you have sent their name in on the police clearance registry form to the office. We need this by 1st March 2019

Please note: As we work with children this is a compulsory requirement. Failure to comply could also affect our funding in the future.

Ann Olsen
State President
