Mentors

Mentors will be responsible for signing off candidate workbooks. This may be done at a workshop, at a rally, or by individual arrangement with a mentor. Mentor's should ensure that the candidate is competent prior to signing the logbook.

Mentors will be available to assist candidates to fulfil the requirements of the log book. Assessors may consult with mentor coaches, prior to finalising assessments (particularly where the assessor is not familiar with the candidates coaching skills).

Mentors must have NCAS Pony Club Level 1
