

Based on advice received from the Covid Hotline on Sunday, Sport SA this morning provided the following information in relation to canteens -

- Canteens and takeaway services (e.g. sausage sizzles, snack foods, non-alcoholic drinks) are not yet permitted.

Thanks to ORSR, SAPOL have now provided the following clarification -  
Opening of canteens

- Canteens can be open for the purchase and consumption of snack or hand-held food and non-alcoholic beverages by people while attending sport (including sports training) fitness or recreation activities.

We apologise for any confusion this has caused, but we are sure you will agree, this is very welcome news.
