MEMO

HORSE ABUSE

Members are reminded that horse welfare is paramount and PCASA has a zero tolerance for any form of horse abuse.

It is the responsibility of every member to report any horse abuse to an official at any events and the club president or member of the committee at a rally.

Any incidents that are brought to the attention of PCASA will be dealt with.

When making a report you need names and any witness so an investigation can be conducted by our complaints officer.
