BULLETIN #15

UPDATED 7 2026

Transfers

Can club secretaries please continue to fill in the transfer paperwork and send via their zone to state. Once transfer is approved by the Executive Council Data Base Management will process the transfer in the database.

Transfers are NOT to be approved by Clubs or Zone admin in the database.

Transfers will not be fast tracked via email from a State level, as the Executive Council are now meeting every month, to ensure transfers are processed in a timelier manner.

Please note:

There will be a clear process for members wanting to change clubs after 30th June and before 31st July in the 2027rule book.

Thank you

Ann Olsen
PCASA President

29/7/2026

The support of the below organisations is acknowledged and appreciated
