BULLETIN #19

Preliminary Coach

Members wanting to start their Preliminary Coach training need to;

1. Purchase a Preliminary Coach manual from PCA through the JustGo Database
2. Let the Training coordinator know you are wanting to start your training and they will send you the workbook which can be fill in on the computer or printed out and filled in by hand.
3. The first part of the workbook will be done either by the coach on their own or the preferred method is by joining zoom sessions, which will be between 1-1.5 hrs in the evening. This will reduce the need for candidates to travel as much. These will be organised once we have a few people interested in starting their Preliminary Coach.
4. When the theory sections are done PCASA will organise a weekend to do the practical components, some mentoring and coaching.
5. Coaches will then need to complete their coaching hours with a recognised mentor.
6. Then complete their assessment, which will be organised by PCASA.

Any questions please contact the Training coordinator on email ann.olsen@bigpond.com or phone 0439202096

Thank you
