BULLETIN #41

Public officers and common seal

Clubs please note:

All Incorporated Associations, that means all clubs and zones are required to have a current public officer and a common seal.

Please check and update public officers if yours is deceased or no longer involved with the club.

The common seal is a stamp with your club's name as well as common seal. Please check and see if your club has one and if not organise to get one. Most printers should be able to help with this.

Thank you.

Ann Olsen
PCASA President
16/5/2024
