BULLETIN #48

Membership profiles in JustGo

If you are a financial member of a pony club or have been non-financial for less than 12 months and want to join another club, you must do an official transfer.

If you have been unfinancial for more than 12 months before wanting to rejoin with another club, your new club must request a data transfer via the PCASA office with the riders name, JustGo member number, old club and new club.

This will prevent you having 2 profiles and 2 numbers in JustGo.

This is a simple procedure and takes no more than a few days. This will mean you will not have to do a new profile on JustGo.

.

Thank you
