

BULLETIN #6

Rally Participation

Clubs please note Rally Participation is to be used as follows:

- Riders pay \$10 and sign the insurance wavier and the attached form. Both documents **must** be sent in to the PCASA office
- This can be used up to a **maximum** of 3 times in a 2-year period.
- Riders can use their 3 rally participations at different clubs, but still only 3 times all together, so they may ride at club x twice and then club y, this is their 3.

Clubs need to be mindful that if this is abused by clubs allowing riders to ride more than 3 times on the Rally Participation, PCASA may be forced to withdraw this offer and furthermore legal action could be looked at if clubs or riders are acting in a dishonest way.

Thank you
