SHOWJUMPING BUILDING CERTIFICATE

Update form

Name : _____

Club: _____

Mentor; _____

Coaches must have designed and built a course to the satisfaction of their “mentor”.

The above member has designed and built a show jumping course that meets the standard required.

Date:	Venue:	Signature:

Update for show jump course building – an update will be completed by building a show jumping course approved by an EA/FEI show jumping course builder, as well as discussing any rule changes, once every 4 years – this can include building a show jumping course at an event, and having an EA/FEI Show Jump Course Builder come along and pass the course or building a course at a pre-arranged course building clinic where an EA/FEI Show Jump Course builder is instructing. Form to be downloaded from PCASA website.
