So what is a Super Cross....

- Super cross is a Horse Trials without the Dressage phase.
- Grading is as for Horse Trials.
- Normal Showjumping and Cross Country penalties apply, plus a ride to time scoring system for Cross Country.
- An optimum time range will be allocated to Cross Country and penalties apply for over or under this time range.
- Count Back System a) If the final scores after both cross country and show jumping have an equal total, the final placings will be determined on a count back in order of preference as follows:
 - (i) Cross country clear rounds – closest to the optimum time without time penalty
 - (ii) Cross country with faults – the rider with the least faults and/or without two faults at a fence
 - (iii) Cross country with equal faults but under optimum time- closest to optimum time
 - (iv) Show jumping – clear round and no time penalties or least time penalties.b) After the count back, if scores remain tied, the equal placing will remain.
