BULLETIN #22

Club & Zone Constitutions

At the 2022 PCASA AGM the new State Club and Zone constitutions were approved.

Clubs and zones will need to review these constitutions and ensure their own club or zone constitution complies with the new State constitution. There will need to be some changes made and the changed constitution will need to be registered with Consumer and Business affairs.

This will need to be done in a timely manner.

Ann Olsen
State President
27/10/2022
